Sir,

I have the honour to state that the marginally noted articles

1 Cloth
2. Kerosine oil
3 Timber.

are the ones on which duty is levied within the limits of this Municipality and the byelaws governing their collections have been sanctioned by Government in their order No. R 10938 Rl 52-18-9 dated 19th March 1920.

2. Sometime previously to this , there was a proposal to include tobacco among dutiable articles and the question was developed and placed before the Council in its meeting held on 26th February 1921 - when it was resolved to levy octroi on it at the rate of Rs. 3/- per local maund and three annas per box containing 50 packets of cigarettes

3 After the decision of the Council, objections were invited under section 60 of the Municipal Regulation and finding that there were none, the Council finally adopted the resolution passed on 26th February 1921 and decided to levy the duty accordingly in its meeting held on 28th May 1921 Necessary byelaws for the levy of octroi having already been sanctioned by Government the levy of octroi on tobacco is also governed by them and therefore, the framing of further bylaws are found unnecessary

4. The levy of octroi on tobacco is urged on more grounds than one. Primarily the levy is necessary in the interest of public health

health as consumption of tobacco is deleterious when taken in any form and the imposition of duty is intended to minimize the evil though it is not possible of eradication

5 From Enquiries made show that quantity consumed every month within the Municipal limits would amount to about 50 maunds or 600 maunds per annum . The duty, therefore, derivable at the proposed rate would amount to Rs 1,800/- no doubt a sufficiently large amount Thus both on the ground of revenue to the Municipality and in the interest of public health , the levy of ~~cetrei~~ duty on tobacco is decided upon by the Council It is hoped that by the introduction of this duty the consumption of tobacco will be reduced.

C In these circumstances, I request that the matter may be placed before Government and sanction obtained for the levy of duty on tobacco at the rate of Rs. 3/- per ordinary maund and three annas per box containing 50 packets of cigarettes

7. A copy of the resolution of the Municipal council along with the original notice etc., are herein enclosed for your kind perusal

I have the honour to be,

S i r,

most obedient servant,

President
